

The Suffolk Chocolate is one of the newest breeds of cat accepted for registration in June 2014 by the GCCF

It is a charming beautiful cat with sleek shiny coat and vivid green eyes

A breed made for a modern lifestyle, equally at home in a London penthouse or tiny cottage in the country

The Suffolk is the culmination of over 10 years work by two dedicated traditional Havana breeders who both live in Suffolk

It was created in direct response to the extreme modernisation of the Havana in the UK
